SECTION II - PROPERTY COVERAGE

A. Perils Insured Against:

We insure against all risks of sudden and accidental direct physical loss or damage to your **dwelling**, contents and other structures unless an exclusion applies.

B. Coverage and Loss Settlement

1. Dwelling

For a covered loss we will pay the **reconstruction** cost for your **dwelling** up to 200% of the coverage limit shown for that location on your Declarations. However, the most we will pay is the coverage limit shown for that location on your Declarations if:

- a. you do not begin to repair or rebuild your **dwelling** within two years from the date of loss;
- b. if you do not maintain at least the amount of coverage for your **dwelling** as previously agreed to, including any adjustments we make based on appraisals or revaluations; or
- c. you do not repair or rebuild your **dwelling** at the same location.

2. Other Structures

For a covered loss we will pay the **reconstruction** cost for your **other structures** up to 200% of the coverage limit shown for that location on your Declarations. However, the most we will pay is the coverage limit shown for that location on your Declarations if:

- a. the coverage limit shown for this location on your Declarations for your other structures is less than 20% of the coverage limit for your dwelling;
- b. you do not begin to repair or rebuild your other structures within two years from the date of loss;
- c. you do not maintain at least the amount of coverage for your other structures as previously agreed to, including any adjustments we make based on appraisals or revaluations; or
- d. you do not repair or rebuild your other structures at the same location.

3. Dwelling or Other Structures under Construction

If at anytime during the policy period:

- a. You are newly constructing your **dwelling** or **other structures**;
- b. You are constructing additions, alterations or renovations to the **dwelling** or **other structures** and as a result have temporarily vacated the **residence premises**; or
- c. You are constructing additions, alterations or renovations to the **dwelling** or **other structures** and the cost will exceed 10% of the coverage amount for your **dwelling** or **other structures**;

then the most we will pay for a covered loss is the **reconstruction cost** less depreciation, but not to exceed the coverage limit shown on your Declarations. We will pay this amount whether or not you actually repair or rebuild. You must still maintain at least the amount of coverage for your **dwelling** and **other structures** as previously agreed to, including any adjustments we make based on appraisals or revaluations. This will remain the loss settlement provision until all construction is completed, and you and we agree on the amount of coverage for your **dwelling** and **other structures**.

4. Contents

The most we will pay for a covered loss to **contents** is the lesser of the amount required to repair or replace the **contents** without application of depreciation up to the amount of coverage for **contents**. However, if the **contents** are obsolete or unusable as a result of their age or condition, depreciation will be applied.

The amount of coverage for **contents** depends on where the loss occurs. For a covered loss to **contents** that occurs;

- a. At a **residence premises** listed on your Declarations, we will pay up to the coverage limit for **contents** at that location for each covered loss. If after a covered loss to your **dwelling** and **contents** we pay more than the coverage limit for your **dwelling** because the **reconstruction cost** is higher than the insured limit, we will increase the **contents** coverage for the purposes of settling the loss, by the same percentage. This extension of coverage only applies if the **contents** limit on your Declarations is 50% of the **dwelling** limit or greater;

- b. At a residence that an **insured** owns or lives in that is insured under another policy, we will not pay any amount under this policy;
- c. At a residence that an **insured** owns or lives in that is not listed on your Declarations and not insured under another policy, we will pay up to 10% of the highest **contents** limit of any single **residence premises** listed on your Declarations for a loss caused by a peril other than a **hurricane**. We do not cover any loss caused by a **hurricane**.

However, if this residence has been acquired within the last 60 days from the date of loss, we will pay up to the highest **contents** limit of any single **residence premises** listed on your Declarations; or

- d. Away from any residence that an **insured** owns or lives in, including a **residence premises**, we will pay up to the highest **contents** limit of any single **residence premises** listed on your Declarations.

The limitation in paragraph c. above do not apply if the **contents** were moved from the **residence premises** because it is being repaired, renovated or rebuilt and is not fit to live in or store property in.

5. Deductible

Unless otherwise noted in this policy, the base **deductible** or one of the special **deductibles** shown on your Declarations or by endorsement is the amount of a covered loss you will pay.

In the event of direct physical loss to property covered under this policy caused directly or indirectly by a **hurricane**, the **hurricane deductible** listed on your Declarations is the amount of the covered loss that you will pay.

The **hurricane deductible** applies to covered property losses that occur within a period of 12 hours before and 12 hours after a **hurricane** makes landfall anywhere in New York State.

Hurricane means a storm system that has been declared to be a Category 1, 2, 3, 4 or 5 hurricane by the National Weather Service.

The National Weather Service currently uses the Saffir/Simpson Hurricane Scale to categorize hurricanes. This scale specifies that a Category 1 hurricane is a storm that originates in the tropics and results in sustained wind speeds of at least 74 miles an hour. This scale also sets forth the criteria for categories 2, 3, 4, or 5 hurricanes, which have greater associated wind speeds.

The **hurricane deductible** applies regardless of any other cause or event contributing concurrently or in any sequence to the loss. No other **deductible** provision in the policy applies to the direct physical loss caused by the **hurricane**.

For a covered loss caused by a peril other than a **hurricane** or earthquake that is greater than \$50,000, we will waive the base **deductible**. This waiver of **deductible** only applies if the base **deductible** shown on your Declarations is \$25,000 or less.

This waiver of **deductible** does not apply to special **deductibles** for **hurricane** or earthquake. This waiver of **deductible** also does not apply to a special construction **deductible**.

Construction deductible.

If at anytime during the policy period:

- a. You are newly constructing your **dwelling** or **other structures**;
- b. You are constructing additions, alterations or renovations to the **dwelling** or **other structures** and as a result have temporarily vacated the **residence premises**; or
- c. You are constructing additions, alterations or renovations to the **dwelling** or **other structures** and the cost will exceed 10% of the coverage amount for your **dwelling** or **other structures**

then a special construction **deductible** of 5% of **dwelling** coverage will apply to each covered loss in lieu of a base **deductible**. This **deductible** applies to your **dwelling**, **other structures**, **contents**, and additional coverages. The dollar amount of this **deductible** is based on the **dwelling** coverage limit shown on your Declarations for that location at the time of the loss. This **deductible** does not eliminate any other special **deductibles** that may apply. If we

otherwise give our prior written consent, the special construction **deductible** will not apply.

6. Special Limits of Liability for Contents

These limits do not increase the amount of coverage for your **contents**. The special limit shown for each category below is the most we will pay for each covered loss to **contents** in that category.

- a. Money, bank notes, bullion, gold other than gold ware, silver other than silver ware, platinum - \$2,500.

This limit is increased to \$10,000 for bank notes, bullion, gold other than gold ware, silver other than silver ware, platinum that are stored in a locked home safe located on the **residence premises** or in a bank vault or bank safe deposit box.

- b. **Watercraft**, including their trailers, furnishings, equipment and outboard engines or motors - \$5,000.
- c. Trailers not used with **watercraft** - \$5,000.

- f. Jewelry, watches, precious stones or semi precious stones, whether set or unset, that are lost, misplaced or stolen - \$5,000.

If your **residence premises** is a:

Dwelling, this special limit is increased to \$50,000 if your Declarations show a limit for **contents** coverage that is 50% or more of the coverage for your **dwelling**. However, the most we will pay for any one article is \$25,000.

Condominium unit, cooperative, or apartment, this special limit is \$50,000 if your Declarations show a limit for **contents** that is at least \$1,000,000. However, the most we will pay for any one article is \$25,000.

The limits described under f. do not apply if the items are stored in a bank vault or bank safe deposit box

- g. Furs that are lost, misplaced or stolen - \$5,000.
- h. Guns that are lost, misplaced or stolen - \$5,000.
- i. Silverware, goldware, pewterware or trophies that are lost, misplaced or stolen - \$10,000.

7. Loss of Use:

If a covered loss to your **dwelling** or **contents** makes the **residence premises** not fit to live in, we cover the following:

- a. Additional Living Expense:

- (1) If the **residence premises** is your primary residence, we will pay the necessary reasonable increase in living expenses incurred by you so that your household can maintain its normal standard of living; or

This time period is not limited by the expiration of this policy.

The amount of rent shown on a signed lease agreement less any expenses that do not continue while the **residence premises** is not fit to live in.

Civil Authority

If you are forced to evacuate your **residence premises** or a civil authority prohibits you from

use of the **residence premises**, we will reimburse you for the reasonable increase in living expenses incurred by you so that your household can maintain its normal standard of living for up to 30 days. The most we will pay for this coverage is \$50,000.

C. Additional Coverages

The coverages shown below are in addition to the coverage amount shown for that location on your Declarations unless otherwise indicated. Your **deductible** applies to these coverages unless otherwise indicated. These coverages are subject to Special Limits of Liability and Exclusions. Exclusions are defined in Section D.

1. Loss Assessment

We will pay up to \$50,000 for your share of a loss assessment charged against you during the Policy Period by a corporation or association of property owners. This coverage applies to loss assessments charged against you during the policy period, regardless of when the loss to the corporation or association of property owners occurred. This coverage only applies when the assessment is made as a result of a covered loss to the property owned by all members collectively. We will not pay for assessments made as a result of loss caused by or resulting from earthquake. We will pay your portion of an assessment charged as a result of an ensuing covered loss due to theft, explosion, fire or glass breakage, unless another exclusion applies. These payments do not increase your coverage amount.

4. Data Replacement

5. Debris Removal

We will pay the reasonable expenses you incur to remove debris of covered property resulting from a covered loss from the residence premises.

If the **residence premises** is a house, these payments increase the amount of your coverage by 10% of the **dwelling** limit shown on your Declarations. If the **residence premises** is a condominium, cooperative or apartment, these payments increase the amount of your coverage by 10% of the **contents** limit shown on your Declarations.

6. Ensuing Fungi or Bacteria

For a covered loss we will not pay more than \$20,000 for each occurrence for all increased costs that are **fungi** or bacteria remediation expenses described below. This **fungi** or bacteria remediation expense limit does not increase your coverage amount.

This **fungi** or bacteria remediation expense limit does not apply to **fungi** or bacteria resulting from a covered loss caused by fire or lightning.

Fungi or bacteria remediation means the reasonable and necessary costs for:

- a. Testing and monitoring the air or property to confirm the absence, presence or level of **fungi** or bacteria whether performed prior to, during or after removal, repair, restoration or replacement. The cost of such testing will be paid only to the extent that there is a reason to believe that there is the presence of **fungi** or bacteria;

Fungi or bacteria remediation expenses also includes up to a maximum of \$5,000 for coverage for loss of use of your **residence premises** resulting from **fungi** or bacteria.

Loss of use means:

- a. The necessary reasonable increase in living expenses incurred by you so that your household can maintain its normal standard of living while your **residence premises** is uninhabitable; and
- b. For a **residence premises** that is rented out, the amount of rent shown on a signed lease agreement, less any expenses that do not continue, while the **residence premises** is uninhabitable.

\$20,000 is the most we will pay regardless of the number of locations insured, or the number of claims. We will not make any additional payments for ensuing **fungi** or bacteria under any other part of this policy.

This additional coverage is only applicable if you begin to repair or replace the damaged **landscaping** within 180 days of the date of loss.

The parties must jointly appoint a mutually acceptable mediator. If the parties are unable to agree upon the appointment of a mediator within 7 days after a party has given notice of a demand to mediate the dispute, any party may apply to the JAMS Mediation Service, or such other

organization or person agreed to by the parties in writing, for appointment of a mediator.

The mediator will notify the parties of the date, time and place of the mediation conference. This conference will be held within 45 days of the mediation request. If feasible, the conference may be held by telephone.

The mediation shall be conducted as an informal process and formal rules of evidence and procedure need not be observed. Participants must:

- (1) have authority to make a binding decision; and
- (2) Mediate in good faith.

If the mediator determines that both parties have mediated in good faith, the costs of the mediation shall be shared equally by both parties

2. Demand an appraisal of the loss. In this event, each party will choose a competent appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the **residence premises** is located. The appraisers will separately set the amount of the loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.

Each party will:

- a. Pay its own appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If, however, we demanded the mediation and either party rejects the mediation results, you are not required to submit to, or participate in, any

appraisal of the loss as a precondition to action against us for failure to pay the loss.

O. Other Insurance and Service Agreement

1. If a loss covered under **SECTION II – PROPERTY COVERAGE** of this policy is also covered by:
 - a. Other insurance; we will pay only the proportion of the loss that the limit of liability that applies under this policy bears to the total amount of insurance covering the loss. However, this insurance is excess over any amounts payable from any insurance available from the **National Flood Insurance Program (NFIP)**; or
 - b. A service agreement; this insurance is excess over any amounts payable under any such agreement. Service agreement means a service plan, property restoration plan, home warranty or other similar service warranty agreement, even if it is characterized by insurance.

We will not pay for any loss for an item of jewelry, watch, or precious stone that is specifically scheduled and insured under another policy.

2. Any coverage under **SECTION III - LIABILITY COVERAGE** will be excess over other valid and collectible insurance except insurance written specifically to cover as excess over the limits of liability that apply in this policy.

P. Mortgage Clause

If a mortgagee is named in this policy, any covered loss under **dwelling** or **other structures** coverages will be paid to the mortgagee and you, as interests appear. If more than one mortgagee is named in this policy, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

1. Notifies us of any change in ownership, occupancy or substantial change in risk of which the mortgagee is aware;
2. Pays any premium due under this policy on demand if you have neglected to pay the premium; and
3. Submits a signed, sworn statement of loss within 60 days after receiving notice from us of your failure to do so.

If we decide to cancel or not renew this policy, we will notify the mortgagee at least 10 days before the date cancellation or non-renewal takes effect.

If we pay the mortgagee for any loss and deny payment to you:

1. We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
2. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

Q. Cancellation

1. You may cancel this policy at any time by returning it to us or by letting us know in writing of the future date cancellation is to take effect.
2. We may cancel the entire policy only for the reasons stated in this condition. The cancellation notice will be mailed to you at the address shown in the Declarations. Proof of mailing will be sufficient proof of notice.
 - a. When you have not paid the premium, we may cancel the entire policy at any time by mailing to you at least 15 days' notice of cancellation, which will also state the premium due.

b. When this policy has been in effect for less than 60 days and is not a renewal with us, we may cancel the entire policy for any reason by letting you know at least 30 days before the date of cancellation takes place.

c. When this policy has been in effect for 60 days or more, or at any time if it is a renewal with us, we may cancel the entire policy only for one or more of the following reasons by notifying the **insured** at least 30 days prior to the proposed cancellation date:

- (1) Conviction of a crime arising out of acts increasing the hazard insured against;
- (2) Discovery of fraud or material misrepresentation in obtaining the policy or in the presentation of a claim thereunder;
- (3) Discovery of willful or reckless acts or omissions increasing the hazard insured against;
- (4) Physical changes in the property insured occurring after issuance or last annual anniversary date of the policy which result in the property becoming uninsurable in accordance with our objective, uniformly applied underwriting standards in effect at the time the policy was issued or last voluntarily renewed; or
- (5) A determination by the Superintendent of Insurance that the continuation of the policy would violate or would place us in violation of the New York Insurance Law.

If one of the reasons listed in this Paragraph c. exists, we may cancel the entire policy.

d. When the property covered by this policy is subject to the Anti-Arson Application in accordance with New York Insurance Department Regulation No. 96, the following provisions are added:

If you fail to return the completed, signed and affirmed Anti-Arson Application to us:

- (1) Or our broker or agent within 45 days of the effective date of a new policy, we will cancel the entire policy by giving 20 days written notice to you and to the mortgageholder shown in the Declarations.
- (2) Before the annual renewal date of any policy, we will cancel the policy by giving written notice to you and to the mortgageholder shown in the Declarations at least 15 days before the effective date of cancellation

- e. If we have the right to cancel, we may, instead of canceling this policy, amend the limits of liability or reduce coverage not required by law. If we take this action, we will notify you by mail at least 20 days prior to the date of such change.

Delivery of such written notice by us to the **insured** at the mailing address shown in the Declarations or at a forwarding address will be equivalent to mailing.

3. When this policy is cancelled, the premium for the period from the date of cancellation to the expiration date will be refunded pro rata.

However, when the premium is advanced under a premium finance agreement, we may retain a minimum earned premium on the policy of 10% of the total policy premium or \$60, whichever is greater.

4. If the return premium is not refunded with the notice of cancellation or when this policy is returned to us, we will refund it within a reasonable time after the date cancellation takes effect.

R. Nonrenewal

1. We will not refuse to renew or condition our renewal of this policy except as allowed by the laws of the State of New York. The conditions may include, but are not limited to, amending the limits of liability or reducing coverage not required by law. If we take this action, we will notify you by mail at least 45 days, but not more than 60 days prior to the expiration date of this policy. Proof of mailing will be sufficient proof of notice.

Delivery of such written notice by us to the **insured** at the mailing address shown in the Declarations or at a forwarding address will be equivalent to mailing.

2. We will not refuse to renew this policy because of underwriting reasons relating to the Home Business Insurance Coverage Endorsement if it is attached to the policy. We may, however, renew this policy without the Home Business Insurance Coverage Endorsement.

S. No Benefit to Bailee

We will not recognize any assignment or grant any coverage that benefits a person or organization holding storing or moving property for a fee regardless of any other provision in this policy.

T. Subrogation

1. We may require an assignment of rights of recovery for a loss to the extent that payment is made by us.
2. If an assignment is sought, an **insured** must sign and deliver all related papers and cooperate with us.
3. Subrogation does not apply to **SECTION III - LIABILITY COVERAGE, B. Medical Payments to Others, or to SECTION III - LIABILITY COVERAGE, C. 2. Damage to Property of Others.**

U. Abandonment of Property

We need not accept any property abandoned by an **insured**.

Important Notice Regarding Flood Insurance

IMPORTANT FLOOD INSURANCE NOTICE

Your homeowners or dwelling policy does NOT provide coverage for loss caused by flood or mudslide, which is defined, in part, by the National Flood Insurance Program as:

A general and temporary condition of partial or complete inundation of normally dry land areas from overflow of inland or tidal waters or from the unusual and rapid accumulation or runoff of surface waters from any source.

If you are required by your mortgage lender to have flood insurance on your property, or if you feel that your property is susceptible to flood damage, insurance covering damage from flood is available on most buildings and contents in participating communities through the National Flood Insurance Program.

Information about flood insurance and whether your community participates in the program can be obtained from your insurance company, from your insurance agent/broker, or directly from the National Flood Insurance Program by calling **1-800-638-6620**.

Hurricane Deductible Notice

Important notice regarding your policy

NEW YORK STATE MANDATORY DISCLOSURE NOTICE

For a premium saving, you have chosen a **Hurricane Deductible** greater than your All Other Perils **Deductible**.

We are required by the New York State Insurance Department under Regulation 159 to provide you with this notice pertaining to your **Hurricane Deductible**. Your policy provides coverage for losses due to a hurricane, however, these types of losses are subject to a deductible greater than your All Other Perils Deductible. Your Hurricane Deductible will apply to the total direct loss of your dwelling, other structures and contents. Please refer to your Declarations Page for the specific deductible(s) that apply to your policy.

IT IS EXTREMELY IMPORTANT THAT YOU REVIEW THIS NOTICE. THIS NOTICE DOES NOT PROVIDE COVERAGE NOR DOES IT REPLACE ANY PROVISION OF YOUR POLICY. IF THERE IS A CONFLICT BETWEEN THE POLICY AND THIS NOTICE, THE PROVISIONS OF THE POLICY SHALL PREVAIL.

WHEN DOES A HURRICANE DEDUCTIBLE APPLY?

The **Hurricane Deductible** applies to covered property losses that occur within a period of 12 hours before and 12 hours after a hurricane makes landfall anywhere in New York State

Hurricane means a storm system that has been declared to be a Category 1, 2, 3, 4 or 5 hurricane by the National Weather Service.

The National Weather Service currently uses the Saffir/Simpson Hurricane Scale to categorize hurricanes. This scale specifies that a Category 1 hurricane is a storm that originates in the tropics and results in sustained wind speeds of at least 74 miles an hour. This scale also sets forth the criteria for categories 2, 3, 4, or 5 hurricanes, which have greater associated wind speeds.

Hurricane Deductible Notice

Page 2

EXAMPLE OF HOW A HURRICANE DEDUCTIBLE WORKS:

The following is an example of how a \$10,000 **Hurricane Deductible** operates on a homeowners policy with a **dwelling** coverage limit of \$500,000. The following assumes that a hurricane loss of \$55,000 occurred:

Homeowner policy limit	\$500,000
Loss	\$55,000
Hurricane Deductible:	\$10,000

Loss settlement:

You Pay	\$10,000
You recover from us	\$45,000

The following is a second example illustrating how a \$25,000 **Hurricane Deductible** operates on a homeowners' policy with a **dwelling** coverage limit of \$800,000, and assuming the same loss of \$55,000 occurred:

Homeowner policy limit	\$800,000
Loss	\$55,000
Hurricane Deductible	\$25,000

Loss settlement:

You Pay	\$25,000
You recover from us	\$30,000

There are many steps that you can take to avoid a loss during a hurricane :

The installation of shutters and impact-resistant glass will greatly reduce the chance of breakage.

A thorough inspection by a professional engineer or architect will reveal any areas of potential losses and provide guidance in strengthening these areas.

Be sure to have a complete inspection of all composition roof shingles and reinforce weak areas with additional nails or screws. If any shingles require replacement, replace or install a water-resistant membrane (tar-paper or hot-mopped underlayment) under the new shingles.

Be sure to secure any outdoor furniture or other objects that may become airborne during high winds.

If you have any questions about your **Hurricane Deductible**, please contact PURE Member Services at **1-888-813-7873**.
